# WE NEED YOU

## A CALL FOR SUPPORT COORDINATORS

As discussed at the AGM, it is imperative that we continue to build a strong group of Support Coordinators to assist our Directors. We are a growing association, and the success of our season depends on people leaning in and helping where they can. Even a small time commitment makes a meaningful difference.

**We are looking for support in areas such as:**

- Operations & scheduling
- Equipment and logistics
- Community Events & tournaments
- Registration assistance
- Social Media Experts
- Fundraising & sponsorship
- School Lacrosse Program Help (coaching, coordination, etc.)
- Deschner Days and Jack Crosby Event Assistance

If you are able to volunteer in any capacity, please reach out via [EMAIL](#). Your involvement directly strengthens our association.

**We truly cannot do this without you.**

## REGISTRATION OPEN!

Registration remains open, and it is critical that families register as early as possible if they haven't already. Early registration allows us to:

- **Begin team formation discussions**
- **Finalize coaching assignments**
- **Plan floor times effectively**

It is also essential to our merger discussions. We are actively exploring potential merges with neighbouring associations, and these decisions are being informed directly by club registration numbers. The earlier you register, the better and more informed decisions we can make as a club.

If you plan to play this season, register [HERE](#)

## PLEASE STEP FORWARD

If you have not yet volunteered to coach, **we strongly encourage you to do so.**

We are:

- Organizing a **coaches meeting within the next two weeks** to review the season
- Introducing **new lacrosse coaching curriculum**
- Planning an **on-floor coaching clinic** in the upcoming weeks

Coaches are vital to our success, and we are committed to supporting you with training, resources, and development

## EVALUATIONS COMING SOON

We are currently reviewing the floor times that have been allocated and will be scheduling player evaluations within the next few weeks. Please stay tuned for communication specific to your player's age group.

## GOALIE GEAR PICK UP + SOCK SALES AND USED GEAR DONATIONS

Goalies can pick up their gear at Bill Copeland Arena in the lower lobby area on the following dates. We will also be selling socks and taking in gently used equipment to donate to those families in need. Socks will be for sale at \$20 a pair and we have plenty of sizes to go around. Your City Sports has partnered with the club again this year, so we can continue to give back to our local community. Every pair of Lakers socks sold also buys another pair of socks for those in need. Last year we helped give an extra 200 pairs to the **'Helping Families In Need Society'** thanks to all our members' generous support!

**Feb 11th 6:30pm to 8:30pm**

**Feb 14th 11:00am to 1:00pm**

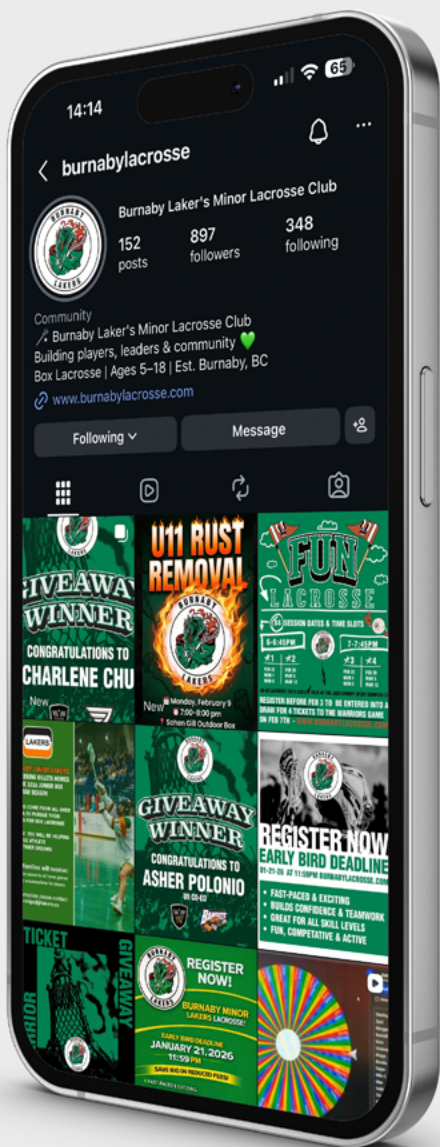

## SPONSORS

As we gear up for an **incredible 2026 season**, the Burnaby Lakers would like to extend a sincere thank you to the sponsors who have already stepped up to support us this year. Your early commitment is the foundation that allows our club to thrive, and we are incredibly grateful for your partnership as we prepare for opening night. We are still actively looking to grow our community of supporters and are excited to find new, creative ways to showcase local businesses while fueling our drive for a championship. If you are interested in joining the Lakers family and exploring our 2026 sponsorship opportunities, please reach out to our team office today—**let's make this season one to remember!**
